

Life Members

The Association has chosen to recognise a small number of dedicated members by granting them life membership of the Association. Life members have shown an extraordinary commitment to the Association over a significant period of time and have contributed in a manner that:

- results in substantial, demonstrable and positive changes to the Association and
- required substantial and commendable personal input.

Many of our honorary life members were foundation members of the Association.

The following members have been granted honorary life membership:

- Roy Hancock JP (dec), Foundation Member (1999)
- Jenny Hancock JP, Foundation Member (1999)
- Lionel Davies JP BEM (dec), Foundation Member (1999)
- Ron Morris JP (dec), Foundation Member (2000)
- Norman Henry JP (dec), Long-serving member of the Executive Committee (2000)
- Frank Dunster JP, Long-serving member of the Executive Committee (2001)
- Alf Robbie JP (dec), Long-serving member of the Executive Committee (2003)
- Dr Peter Burrows OAM JP (dec), Foundation Member (2008)
